Addressing the Planning Commission

Any member of the public may speak on any item under discussion by the Planning Commission after “being recognized” by the Chairperson. Generally, after the Chairperson introduces an item, the order of presentation begins with comments by staff. The project applicant or their authorized representative may then comment. Next, interested members of the public may speak. Additional comments by the applicant or staff, as appropriate, may follow. At the close of testimony, the matter will return to the Planning Commission for discussion and action.

Consent Calendar

Items on the Consent Calendar are scheduled public hearing items which are considered routine by the Planning Commission. The Consent items will be enacted by one motion and one vote and include the following:

- Items recommended for continuance to a later meeting.
- Items for which staff has received no indication of public concern and for which staff is recommending approval.
- Items which have been moved from the regular hearing agenda and placed on the Consent Calendar at the beginning of any particular meeting.

Items on the Consent Calendar may be removed by any member of the public or Planning Commission. If removed from the Consent Calendar, the item will be placed on the regular hearing agenda in its normal sequence on the agenda. When the Planning Commission approves a consent item, it approves the staff recommendation together with any conditions of approval included in the recommendation.

Please note that items on the regular hearing agenda may be placed on the Consent Calendar at the beginning of any particular meeting when requested by a member of the Planning Commission and with the approval of the Chairperson. If a Planning Commissioner requests that an item be moved from the regular hearing agenda and placed on the Consent Calendar, the Chairperson will ask if anyone in the audience or any other Commissioner wishes to speak to the item or have the item heard. If no one wishes to do so, the Chairperson may move the item to the Consent Calendar and it will be considered at that

time. Accordingly, anyone wishing to speak to an item should be present at the beginning of the meeting.

Oral Communications

Any member of the public desiring to speak on a matter which is not scheduled on this agenda may do so under Oral Communications. As a matter of policy, the Planning Commission does not take immediate action on items presented under Oral Communications.
